**Status Report****October 6, 2006****Project name:** Road Management Plan (RMP), 2006**Project Type:** Regulatory adoption to

The project is a new proposed amendment to the California Forest Practice Rule (14 CCR section 1093, Road Management Plan). The regulation provides criteria for content of a RMP when submitted as supplemental information for a THP, PTEIR, NTMP, or SYP. All other previous proposals, including consideration of a Certified Regulatory Program pursuant to PRC 21080.5, have been cancelled.

Status:

- The Board held the initial 45 Day Notice hearing on adoption of the rule September 14, 2006, in Redding, California. At this meeting Board directed staff to make edits and present at the October 4, 2006 meeting.
- The Board of Forestry and Fire Protection (Board) directed staff on October 4, 2006 to publish a 15-Day Notice of public hearing for adoption of the regulation. The 15 Day hearing is scheduled for November 8, 2006, in Sacramento.

Milestone and Timeline:

- Hold hearing on November 8, 2008, on adoption, amendment, or rejection of rule as published on October 6, 2006.
